

DIGITAL SAFETY STORIES DISCUSSION POINTS

STORY: Live & Learn...Learn & Live

AUTHOR: Krista Haugen

DATE OF STORY: February, 2011

1. Are you in the right frame of mind to fly every shift?
2. What safety training phrases do you remember that will help save your life?
3. How would your program handle two accidents in 30 days?
4. Were there distractions that led or could lead to a second accident?
5. What do you do to **not** repeat history?
6. How does your program share lessons learned?
