STORY: Be Safe

AUTHOR: Rusty Robison

DATE OF STORY: February, 2011

1. How could they have allowed this to happen?
2. How do we “sedate” our inner voice?
3. How do you handle a new crew member who says they are uncomfortable for a particular flight?
4. How much trust do you put in the pilot to know that you are operating within safe limits?
5. “3 to go + 1 to say NO” – Do you really believe all 3 were comfortable before flight?
